Combination of the Safe

Turn four times over to the right to 8.
" three " " " " left to 24
" twice " " " " right to 4
then turn slowly to the left as far as you can go.

Turn the T handle over to right and pull open the door.

To lock it, close the door turn the T handle over to left as far as it will turn, then give the numbered knob two or more turns over to the right.
